#### **About Tiara Labuan Hotel...**

**Visitors to Labuan, a tourist-friendly island in the north western coast of Malaysian Borneo have the widest choice of spacious comfortable accommodation, ranging from deluxe timber chalets and 1 to 3-bedroom apartment suites surrounding a swimming pool, to 3 to 5-bedroom villas, surrounding another swimming pool, at Tiara Labuan Hotel.**

**Located in a low density area just ten minutes from the airport and commercial center, this exclusive, yet friendly resort-within-the-city that sports the Home of Tropical Experience tagline is nestled amongst a lush landscape with lots of fresh clean air and green open spaces.**

**Views of nearby islands and the blue waters of Tanjung Batu Beach lining the hotel frontage, coupled with the green fairways of the Labuan Golf Club in the background, further enhances its charm.**

**Poised to meet the wants and needs of today's discerning leisure and business travelers, Tiara's hospitality further extends to delicious selections of seafood, Western, Chinese and local cuisine that can be enjoyed indoors in air-conditioned comfort or alfresco.**

**The hotel's relaxing ambiance and its many facilities often makes guests wish their stay was longer.**
