Descriptions

Cuti-cuti Sabah, how can you miss Semporna! ㄟ~ㄟ~

I haven't been to Semporna, and I can't say that I have seen the most beautiful sea! The islands scattered on the sea, surrounded by the clear and turquoise waters, buried in the water can admire the largest coral group in Malaysia, like a dreamland~

Now only RM399, you can unlimited travel to the sea. Please log in to purchase: www.yunshengtravel.com/
