Descriptions

Toojou is located in the heart of Kota Kinabalu, Sabah. It is the new meet-up point in Kota Kinabalu where you'll never run out of laughter to share. Whether you're a traveller or not, we invite you to come have a good time.

Grab a bite at our cafe if you're feeling hungry, or refresh yourself with a cold pint at our funky rooftop bar. You can even bring your work with you; Get creative at our co-working space where you and your team can discuss ideas at ease.

When you're worn out, rest comfortably at our spacious capsule beds or cosy studio rooms for the tired Wanderlusts. So come meet new friends and create some fun filled memories together!
