PREFACE FROM

Dato' Dr. Ammar Bin Abd. Ghapar

Greetings from Tourism Malaysia!

Malaysia is a vibrant and beautiful country with so much to offer. We have highlands and lowlands, with some just a short drive away from our bustling cities. Malaysia's natural beauty is breathtaking and diverse. With an array of endemic flora and fauna species both on land and under the sea, Malaysia is guaranteed to leave you in awe. When speaking of the sea, diving is an activity that always springs to mind. Whether you're a diving enthusiast or just simply want to experience it, Malaysia is undoubtedly the perfect diving destination.

Our borders are open, and we would like you to explore the wonderful and exciting diving packages that we have compiled, all of which promise a mesmerising and one-of-a-kind underwater experience.

We hope to see you soon in Malaysia Truly Asia.

Thank you.
